The audit shall also include all extra-classroom activity funds. The independent accountant shall present the report of the annual audit to the Board. The Board shall adopt a resolution accepting the audit report and file a copy of the resolution with the Commissioner. The District will also file the audit report with the Commissioner for a specific school year by October 15 of the following school year. In addition to the annual audit, the District shall be subject to State audits conducted by the State Comptroller. See Policy #1334 for Duties & Responsibilities of the Auditor.

Executive session

The Board of Education may hold executive sessions at which only the members of the Board or persons invited by the Board shall be present. Upon a majority vote of its members, the Board may convene in executive session at a place which the Board President or said members may designate within the district.
